

BHOSALE
Seating Systems
comfort for everyone...

ABOUT US

Bhosale Seating Systems is the outcome of the efforts and hard work of its Managing Director Shri. Ganesh R. Bhosale. Bhosale Seating Systems was established in the year 2013. Though a budding name in the domain of Manufacturing, Retailing, Supplying and servicing of Chairs, office furniture, within a very short span of time, has won the hearts of its clients for its service and quality.

We are into wholesaling and supplying an enormous collection of Executive Chairs, Office Chairs, Conference Chairs, Cafeteria Chairs, Waiting Seater, Bar Seater, Conference Tables, Computer Tables, Restaurant Tables, Executive Tables, modular furniture, office furniture, college furniture etc. Furthermore, these are verified stringently before getting provided at the doorstep of our clients. Appreciated mostly for their wonderful designs, finest quality, attractive finish and durability, at most reasonable prices these are enormously commended by our clients.

Under the direction of our mentor and Managing Director Mr. Ganesh R. Bhosale, we have accomplished a remarkable and distinctive reputation in this domain. His vast experience and deep know-how in this arena has helped us in achieving a renowned standing in the industry and earn a good name in the domain of seating solutions.

QUALITY ASSURANCE

We, at Bhosale Seating Systems, ensure that only fine quality basic material and innovative tools are being used in the fabrication process of our products. Moreover, our products are checked on different stages before delivery to uphold their sync with the accepted standards of quality. Further as per client's requirements and demands we make tailor-made designs and patterns. In addition to this, such support is extended to our clients post sale as well.

WHY US?

With the support of our esteemed clients, within a very short span of time, we have become one of the notable business entities. Further, our transparency in all our deals has assisted us in catering our client's requirements more efficiently.
